It is the State Department of Education's current policy not to send results to the applicant if the results are over three months old. To be consistent with policy, a three month separation from service or pending change in status requires a new Background Investigation Check (BIC). The results may be released to the individual employee with this completed and signed form if their fingerprint check is less than three months old.

Due to FBI regulations, the State Department of Education cannot share BIC results with private/parochial schools, bus companies, private college/universities or their employees. Please complete the release form and send to:
