

# 2<sup>nd</sup>

## Essential Questions

### Enduring Understandings

- ✓ Readers may use many strategies that work, and they quickly try another one when the one they are using doesn't work. They not only know many different strategies, but they never get stuck in persisting with one that isn't working.
- ✓ Writing is a deliberative process, involving planning, drafting, revising, editing, publishing, sharing, and responding.
- ✓ Conventions of language help readers understand what is being communicated.
- ✓ People combine facts and opinions to communicate perspectives and information.
- ✓ Texts are intentionally organized by authors to emphasize information and therefore impact readers' meaning-making

### Essential Questions

- ✓ How do readers know they are reading well?
- ✓ What is the relationship between writers and readers?
- ✓ What makes writing easy to follow?
- ✓ What are the benefits of recognizing the difference between facts and options?
- ✓ What can we learn from print?
- ✓ How does reading enjoyment impact our lives?
