

Speakers' Bureau

A bureau of Diocesan Pastoral Center staff members and ministry leaders will be available to speak from personal experience about ways that appeal funds help build the Church of Idaho and help those most in need. The Development Office recruits and trains these speakers to present the Idaho Catholic Appeal message and ask your congregation for support. We have speakers fluent in English and Spanish. If your parish would like to secure one of these speakers, please contact Margaret Hampton at mhampton@rcdb.org, or call 208.350.7539. Please allow sufficient time to schedule presenters.
